

Obituary

Died: Friday, November 30, 2018

Dwain A. Welsh, age 67, passed away on November 30, 2018 at Sunset Manor, Brush, Colorado after complications from diabetes. Dwain was born on October 20, 1951 at Boscobel Hospital to Edward and Edith (Emerson) Welsh. Dwain graduated from Guilford High School in Rockford, Illinois in 1969 and soon relocated to Ft. Morgan, Colorado before then moving to Brush, Colorado.

To know Dwain, is to know he was a man of few words, but he deeply loved his family and while he didn't like to travel too far from Colorado, he enjoyed visits from his brothers, sisters and many family members. Dwain would say that he had a second family at Sunset Manor, and it was very clear that the staff and fellow residents thought the world of him.

Dwain is survived by two brothers: Don (Carolyn) Welsh of Stillman Valley, IL; Ken (Sandy) Welsh of San Tan Valley, AZ and four sisters: Marcy (Floyd) Drake of Janesville, WI; Deloris Wipperfurth of N. Ft. Myers, FL; Marilyn (Bill) Blanton of Lochbuie, CO and Betty (Harold) Otto of Poplar Grove, IL; as well as many nieces, nephews and cousins. We will all miss Dwain very much. Dwain was preceded in death by his parents Edward and Edith Welsh and nephews Craig Welsh and Kenny Blanton.

A graveside urn interment and memorial service will be held at Boscobel Cemetery at 10:30 am on Saturday, July 13, 2019. Kendall Funeral Service assisted family with arrangements. Pastor Peter Heide will be officiating.

Immediately following the graveside service, the family will be hosting a 11:30 am luncheon at the Boscobel Bowl, 16971 Highway 61, Boscobel and they cordially invite you attend. Online condolences can be sent to www.kendallfuneralservice.com
