Mom was a devoted wife, mother and Catholic. She loved dad as much the day she passed as the day they married. They were always together working on the farm. A trip to town included her sliding over to the middle so they could sit side by side in the truck. A person could tell how much they loved each other just by seeing them together. Once Dad retired from farming Mom went to work in the kitchen at the elementary school. She loved the kids and went on many Wyalusing trips with the 6th graders with adventures to tell when she returned home.

Always thinking of others she showed she cared with a smile, hug, card or a plate of goodies. She loved to make many treats including pies, cinnamon rolls, donuts, cookies and homemade noodles with chicken.

She always had a special sparkle in her eyes when it came to her grandchildren and great-grandchildren. She loved to spoil them but not with material things but in her own special giving way.

She will be greatly missed by all who knew her, especially her dear friends and most of all her family. We know you are in a beautiful place, Mom. Love you!!!
