

FOOTPRINTS

One
night a man had
a dream. He dreamed
he was walking along the
beach with the Lord. Across the
sky flashed scenes from his life,
for each scene, he noticed two sets
of footprints in the sand; one belonging
to him, and the other to the Lord. When
the last scene of his life flashed before
him, he looked back at the footprints in
the sand. He noticed that many times
along the path of his life there was
only one set of footprints. He also
noticed that it happened at the
very lowest and saddest times in
his life.

This really bothered him
and he questioned the Lord
about it. "Lord, you said
that once I decided to
follow you, you'd walk
with me all the way. But
I have noticed that during
the most troublesome times
in my life, there is only one
set of footprints. I don't under-
stand why when I needed
you most you would leave me."
The Lord replied, "My son,
My precious child, I love
you and I would never
leave you. During your
times of trial and suf-
fering, when you see
only one set of foot-
prints, it was then
that I carried you."
