

SHE IS GONE

*You can shed tears that she is gone
or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back
or you can open your eyes and see all she's left.*

*Your heart can be empty because you can't see her
or you can be full of the love you shared.*

*You can turn your back on tomorrow and live yesterday
or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she's gone
or you can cherish her memory and let it live on.*

*You can cry and close your mind, be empty and
turn your back
or you can do what she'd want: smile, open your eyes,
love and go on.*
